BUILDING ARRIVAL

Welcome to Ipana! Please follow these simple instructions for a smooth check in.

PARKING

If you have driven a car, you will have plenty of parking found underground. The parking is not assigned. In your unit you will have a card that will open the parking gate.

When entering the IPANA building, you will have to stop at the reception to sign in. They require your name, your unit number, and your check out date.

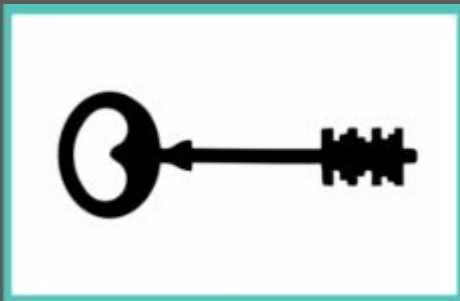

Once you have signed in, take the elevator to the first floor. When stepping out of the elevator your unit 107-A will be on your left hand side. The unit uses a door code system. The code will be provided one day prior to your arrival.

PARKING

If you've driven a car to Playa, there is one parking space available outside.

KEYS

Your unit uses an electronic door code, therefore you have no keys.
