BUILDING ARRIVAL

Welcome to Las Olas, your new home away from home! Please follow these simple instructions to have an easy and smooth check in.

PARKING

If you have a vehicle, you will find your spot just out front labeled **107**. There is a remote control in the unit that controls this barrier. We kindly ask you to leave the control in the unit after check out.

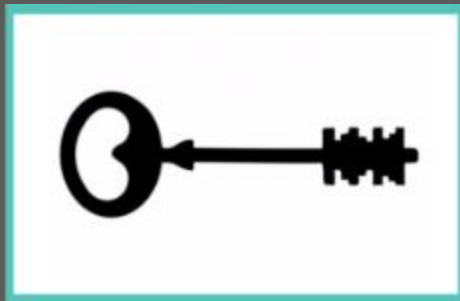

Head up the stairs, your unit 107 is the first door on your left hand side. Your unit uses a door code system. For security purposes, the code is changed per check in. Your concierge will provide you with the access code before your arrival.

PARKING

If you've driven a car to Playa, there is one parking space available for you labeled 107

KEYS

You have no keys for the property, just the remote control for the parking. Make sure you leave it on check-out!

Please let us know if there's anything we can do to make your stay with us a wonderful, memorable stay. Tours, family excursions, private chefs are all available to be booked through me, your concierge.

Disfruten su estancia!
