Welcome to Casa Momo, this is  
a large building with access to  
the beach, protected by a fence,  
so the only facade you will see  
upon arrival will be the one  
shown in the image on the right  
side.

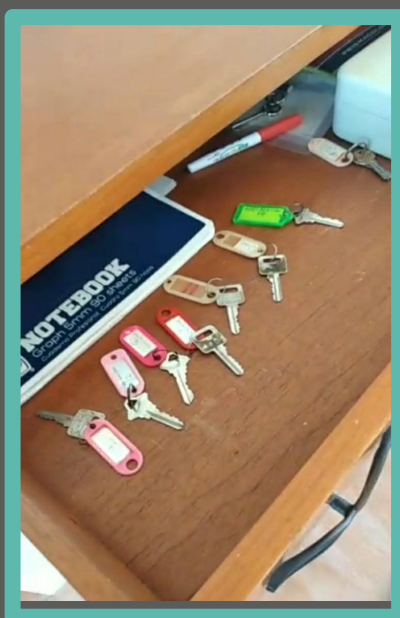

The Google Maps location that we share above will guide you along Calle 19 in Chixchilub and your destination will be on the left. Let us show you a picture.

This building has people who take care of the property, please tell them that you made a reservation in their name.

The keys of each room will be left in the first drawer of the furniture located in the dining room. There are no more copies please take care of them.

Please let us know if there's anything we can do to make your stay with us a wonderful, memorable stay. Private chefs are all available to be booked through us.

*Enjoy your stay!*
