Welcome to the Oceana Tower of the Vía Montejo complex in Mérida! This is how the entrance to the reception and later to the building looks like.

If you have a vehicle, you can use the parking space assigned with the number 0206 on the second floor on the left side after the security booth.

To enter the building you must present your identification at the security booth and fill out the registration form, it will take approximately 10 minutes, please do not despair. Have your car information, license plates, make and model, and the information of your reservation as check in, check out, number of guests and their full names. You are directed to unit 206 of the ocean tower

After crossing the security booth, you will do a similar process but at the reception of the building, please keep the information at hand

Once you have passed the front desk take the elevator to the second floor, when you exit, go to the left, your unit is at the end of the corridor marked with the number 206, you will find a Lockbox outside the door with your keys, the code should have been sent to you by the concierge, if not, do not hesitate to request it.

## ADICIONAL INFORMATION

Central park and pool

This building is just one of the many that make up the Vía Montejo complex in Mérida, they have a Central Park that resembles the iconic central park in New York, where you can spend an extraordinary day with your family.

After this you can cool off in its semi-Olympic pool in the common area of the building

### Garbage

During your stay you can take out your garbage and throw it in the deposit next to the elevator, help us keep this beautiful place clean
